

MOSTAFA MAHMOUD OSMAN ABDELGHANY

Procurement & Supply Chain Leader | MEP & Construction Materials | Strategic Sourcing | Vendor Management | Team Lead
Riyadh, Saudi Arabia | +966 502 582 122 | engmostafamahoud2012@gmail.com | linkedin.com/in/mostafa-abdelghany-4352a534a

PROFESSIONAL SUMMARY

Procurement leader with 12+ years of progressive experience across Saudi Arabia and Egypt, advancing from Junior Procurement Engineer to MEP Procurement Section Head. Currently leads sourcing, vendor management and full procurement lifecycle for King Abdullah International Gardens (KAIG) — a SAR 2.63+ billion Vision 2030 mega-project spanning 2+ million m², developed for Riyadh Municipality with Dar Al-Handasah as consultant — managing a procurement team of 3 and a network of 50+ qualified suppliers across dozens of subcontracted companies. Increased material submittal/approval throughput to 25 items per month by sourcing faster-delivery alternatives, protecting the project's critical path. Track record spans strategic sourcing, RFQ/RFP management, supplier qualification, BOQ and cost analysis, and contract negotiation — equally effective on the contractor, consultant, or owner side of a project.

CORE COMPETENCIES

Strategic Sourcing & Vendor Management • RFQ/RFP & Tender Management • Technical & Commercial Bid Evaluation • BOQ & Quantity/Cost Analysis • Supplier Qualification & Performance Management • Contract Administration & Negotiation • Specification & Compliance Review • Procurement Planning & KPI Reporting • Purchase Order (PO) & Delivery Tracking • Cost Variation Management • Team Leadership & Mentoring • Supply Chain Coordination • Stakeholder Management (Contractor / Consultant / Owner)

CAREER PROGRESSION SNAPSHOT

Senior Procurement Engineer	Pillars Constructions	Apr 2021 – Feb 2023
Procurement Engineer	Hassan Allam Construction / Technologies	2017 – Jun 2021
Junior Procurement Engineer	EDC — Expertise for Designing & Consulting	2016 – Oct 2017

PROFESSIONAL EXPERIENCE

MEP Procurement Section Head <i>Zaid Al Hussain & Brothers Contracting Group — Riyadh, Saudi Arabia</i> <i>Project: King Abdullah International Gardens (KAIG) — Contract Value SAR 2.63+ billion Owner: Riyadh Municipality (Amanat Al Riyadh) Consultant: Dar Al-Handasah (Shair & Partners) 2+ million m² Vision 2030 Quality of Life Program</i> - Lead end-to-end MEP procurement (starting with Mechanical) for KAIG, one of the Kingdom's most complex Vision 2030 giga-projects, coordinating with numerous specialty subcontractors and suppliers across a 2+ million m² scope. - Lead and mentor a procurement team of 3, overseeing RFQs, technical/commercial evaluations, and purchase recommendations, while managing a network of 50+ qualified suppliers. - Increased material submittal/approval throughput to 25 items per month by identifying faster-delivery alternative vendors, protecting the project's critical path. - Qualify and evaluate suppliers for mechanical and electrical equipment (pumps, fans, AC units, chillers, panels, lighting, wiring, BMS/controls) against project scope and specifications. - Manage material submittals and approvals in coordination with the project's consultant, Dar Al-Handasah. - Evaluate cost variations and specification deviations; negotiate pricing, delivery schedules and terms with vendors and clients. - Track delivery progress against the project master schedule and report procurement KPIs to project leadership.	Oct 2024 – Present
Procurement Team Lead <i>Atrium Quality Contractors — A Talaat Moustafa Group Subsidiary — Cairo, Egypt</i>	Mar 2023 – Sep 2024

Project: Noor City, New Administrative Capital | Developer: Talaat Moustafa Group (TMG) | Large-scale residential mega-compound

- Led procurement coordination for MEP-related materials and equipment on Noor City, a mega residential compound developed by Talaat Moustafa Group.
- Reviewed and reconciled vendor and subcontractor technical submittals against project specifications, approving materials for procurement release.
- Coordinated purchasing and delivery schedules across multiple subcontracted supply chains, ensuring quantities and specifications matched approved procurement plans.
- Consolidated quantity and cost data to support procurement budgeting and vendor negotiations.

Senior Procurement Engineer Apr 2021 – Feb 2023

Pillars Constructions — Cairo, Egypt

Projects: Bernice Military Airport (Government/Military Client) | Zagazig University, New Administrative Capital (Owner: Zagazig University) | Laverde Compound

- Led supplier evaluation and selection for mechanical equipment packages across three concurrent projects (airport, university, residential), building technical and commercial comparison matrices against approved specifications.
- Managed BOQ/quantity take-off and material submittal review to support procurement and cost-control decisions.
- Negotiated pricing and delivery terms with vendors, balancing specification compliance with cost efficiency.
- Coordinated purchase orders and delivery schedules to keep concurrent project timelines on track.

Procurement Engineer 2017 – Jun 2021

Hassan Allam Construction / Hassan Allam Technologies — Cairo, Egypt

Projects: Zewail City (Owner: Zewail City for Science & Technology | Consultant: Shaker Consultancy Group) | Bernice Civil Airport, Terminal 1 | Aeon Towers, 6th of October City | Egypt International Exhibition Center

- Reviewed vendor and subcontractor material submittals for HVAC, fire-fighting and plumbing packages, verifying specification compliance before procurement release — including on a 20-floor full-finish turnkey tower (Aeon Towers).
- Reconciled procurement quantities against approved BOQs across large-scale infrastructure and high-rise developments.
- Supported vendor coordination and material delivery tracking on an airport terminal and a national research campus project.

Junior Procurement Engineer 2016 – Oct 2017

EDC — Expertise for Designing and Consulting — Cairo, Egypt

Projects (Saudi Arabia, remote support): Riyadh Metro (Owner: Royal Commission for Riyadh City) | King Fahd Medical City (Owner: Ministry of Health, KSA) | Radisson Blu Hotel | Hilton Riyadh Hotel | Haifa Compound

- Prepared BOQs and material specifications that directly informed client and contractor procurement decisions for major Saudi Arabian projects across hospitality, healthcare and infrastructure sectors.
- Supported vendor-facing technical documentation and quantity take-offs, building the foundation for a career in procurement.
- Gained early exposure to KSA project standards and international consultancy practices.

Mandatory Military Service — Mechanical Jan 2013 – May 2015

Egyptian Armed Forces Engineering Authority — Egypt

FLAGSHIP PROJECT REFERENCE

KING ABDULLAH INTERNATIONAL GARDENS (KAIG)	Contract Value: SAR 2,631,055,603 (~SAR 2.63 billion) Owner: Riyadh Municipality (Amanat Al Riyadh) Consultant: Dar Al-Handasah (Shair & Partners) Main Contractor: Zaid Al Hussain & Brothers Group Scale: 2+ million m² botanical mega-project — Vision 2030 Quality of Life Program Suppliers Engaged: 50+ across mechanical & electrical packages My Role: MEP Procurement Section Head — Mechanical & Electrical procurement lifecycle
---	---

VENDOR & MATERIAL CATEGORIES MANAGED

Mechanical: Chillers, AHUs/FCUs, Pumps, Fans, Ductwork, Piping & Valves, Fire-Fighting Equipment, Plumbing Fixtures

Electrical: LV Panels, Cabling & Wiring, Lighting Fixtures, BMS/Controls, Switchgear
